### A New JESUS REVOLUTION!

The 1960s was an ugly decade in the United States. The assassinations of the Kennedy brothers and MLK, an unpopular war in Vietnam, and the massive increase in drug use, promiscuity and rebellion, all pointed to a nation in rapid decline. Most mainline churches, themselves birthed generations earlier in the furnace of revival, were now lukewarm at best.

Young people, dissatisfied and empty, searched for peace and meaning through sex, psychedelic drugs, and eastern religions, only to experience profound emptiness and greater disillusionment!

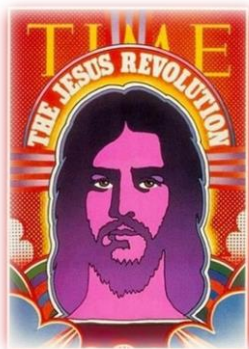

The nation was ripe for a powerful move a God!

*"For I will pour out water on him who is thirsty, and streams on the dry ground; I will pour out My Spirit on your offspring..."*  
-- Isaiah 44:3 (AMP)

Throughout history, spiritual dryness and hunger always precedes an outpouring of Holy Spirit!

And that's what happened! Hungry Christians began to seek God, repent and pray ... and Holy Spirit came! He is no respecter of persons nor denominational titles. He comes where He is welcomed! And He came in power in the late 1960s! This "charismatic renewal" swept through mainline churches. Suddenly Lutherans, Catholics, Methodists, Episcopalians and Baptists were experiencing Holy Spirit in a new way with a fresh love for Jesus.

*"But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses ... to the end of the earth."*  
-- Acts 1:8 (ESV)

Now that Holy Spirit was welcomed, He couldn't be contained! National media reported it. Millions of young people, Hippies, druggies, runaways, the lost and hurting began to come to Jesus. This spiritual tsunami hit California, and swept the Nation and impacted the World!

Kathryn and I are products of this great move of God! As a teen I was hungry for something real and powerful that I could give my life to. My search brought me through rebellion, drugs and the occult. I came to faith in Jesus through the persistent witness of a female evangelist named Jackie and a Christian rock band called *Damascus*.

Kathryn's search brought her to California and immersion into the drug culture. After an all-day binge of LSD cocaine, and heroine, she experienced the frightening reality of an eternity in Hell. She called out to Jesus and the following Sunday got radically saved.

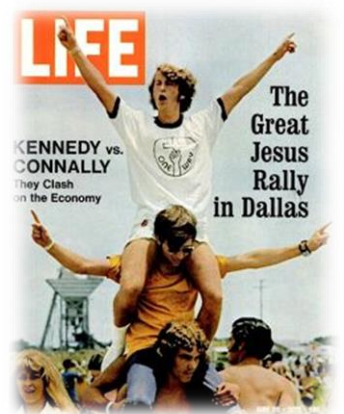

We are living testimonies of the power of Jesus and the Cross to transform lives. Together we travel the world telling people about this amazing God who saves, heals and forgives!

Can it happen again? Can a new Jesus Revolution sweep the nations? Can millions (*billions?*) come into the Kingdom of God in this dark hour of world history? That's up to us! It's up to you!

*How desperate are you for God to move in your life, your marriage, your family, your church, your community, your nation?*

America, and the World, is ripe for the greatest harvest of souls ever seen!

Now is the time to set aside distracting habits, wrong relationships and deadly sins. Get right with God, now! Be the Man of God ... be the Woman of God ... that you are called to be!

*"God, I've heard what our ancestors say about you, and I'm stopped in my tracks, down on my knees. Do among us what you did among them. Work among us as you worked among them. And as you bring judgment, as you surely must, remember mercy."* – Hab.3:2 (MSG)

**"When the cry of the church is, 'Give me children or I die,' then revival is nigh, even at the doors."**

–Arthur Wallis, *In the Day of Thy Power*

# Reviving Marriages

We recently held a marriage seminar here at our home church, Jesus Haus in Herrnhut, Germany. The

response was very encouraging. When lives are changed and marriages strengthened, it creates a ripple effect that transforms the culture. This is revival! Glory to God!

## ISRAEL & CYPRUS

“He is not here! He is risen!” Any Christian who has traveled to Israel has visited the Empty Tomb. In April we continue our missionary adventures heading to Israel to celebrate the 75<sup>th</sup> anniversary of the modern state ... and to share Yeshua (Hebrew for *Jesus*) with everyone we meet!

Constant tensions caused by Islamic terrorist groups and political unrest means that Jews are open to hear the Good News from Gentile followers of Yeshua!

During our last visit to Israel in 2018 we had amazing encounters while handing out over 600 Gospel cards. Pray for more God appointments on this new adventure!

From Israel we will fly just 200 miles northwest to the island of Cyprus. Like Israel, Cyprus is loaded with ancient Biblical history. During his First missionary journey the Apostle Paul and a team including Barnabas and John Mark (Acts 13) walked across the

island preaching the Gospel. Paul led the Roman governor Sergius Paulus to faith in Jesus, thus making Cyprus the first country ruled by a Christian leader.

Today, Cyprus is a divided country (note the UN buffer zone stretching from east to west on the map). In 1974 Turkey invaded and has since occupied the northern third of the of the island.

Of the 1.2 million people, 72 percent identify as being Christian, but many have not surrendered their lives to Jesus. An additional 1/10<sup>th</sup> of the population have no Gospel witness at all!

We will be sharing the Gospel across Cyprus the first week in May. Pray that we will have many powerful Holy Spirit encounters!

## Lighthouse to Europe: A Gospel Distribution Update

When we are not traveling to other nations, we continue sharing Jesus through the distribution of Gospel literature. We are convinced that this is a powerful and effective way to share the Gospel.

We began placing Gospel tracts in mail boxes about 15 years ago during a time of preaching and street evangelism in Sao Paulo, Brazil. We had a sudden impression from Holy Spirit to place them in mail boxes. Amazingly, that very first mail box yielded a harvest when the 10-year-old girl came home from school that afternoon, checked the box, read the tract in her bedroom and gave her life to Jesus!

At this writing we have since handed out almost 400,000 tracts and Gospels of John all around the world! In Germany we have handed out 153,000 pieces of literature to every home in 156 towns and villages.

To the right is a new piece we are using. It's a newspaper format, filled with powerful testimonies, printed by a ministry in Berlin with a goal to see it distributed to every home in Germany.

The reason the LORD still has us based in eastern Germany, strategically neighboring Poland and the Czech Republic, is because of Germany's divine mandate to be a Lighthouse to Europe for the Gospel! The nation that blessed the world with Reformation that changed every area of Western Culture will be used of God to bring a wave of spiritual Revival in Europe! PTL!
