

Dan & Kathryn Wunrow

HIS Ambassadors to the Nations

Preparing the way for the LORD since 1999!

September 2023

We Have a Problem

It was April 14, 1970. The Apollo 13 spacecraft was on a mission to be the third manned American landing on the moon, when an oxygen tank exploded. That's when

Jim Lovell, the mission commander, radioed NASA with those now iconic words, "Ah, Houston, we've had a problem."

The ensuing loss of power, heat, water and dangerous levels of carbon dioxide threatened the lives of the three astronauts on board.

President Nixon called the nation to prayer. Over the next three days a series of events took place, which Jim Lovell and NASA scientists described as miracles, culminating in the safe return of the crew.

Author and Historian William J. Federer states: "We have this tradition in America, that when there's a crisis we cry out to God."

America, and really the entire world, is in crisis. In the Gospel of Matthew, chapter 24, Jesus' disciples ask Him what will be the sign of His coming and the end of the age. Interestingly, Jesus answers in verse 4: "Watch out that no one deceives you." Deception will be rampant in the season leading up to the return of Christ.

Jesus then explains the condition of the earth, and humanity itself, at that time. There will be an increase in wars, famines and earthquakes. Spiritual deception and false prophets will lead many astray. Immorality and wickedness will be rampant. Persecution of Christians will increase. There will be the rise of a world leader, the Anti-Christ, who will be demonically empowered with the ability to deceive many.

Jesus Has the Solution

Look carefully at Jesus' Words in verses 12-14 (NIV). "Because of the increase of wickedness, the love of most will grow cold, but the one who stands firm to the end will be saved. And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." (emphasis mine) In other words, you will weather these turbulent times by fixing your full attention on Jesus! Jesus has the solution because He is the Solution!

Lastly, Jesus said that this Gospel will be preached to the entire world, and then, He will return! Glory to God!

These are great days to be alive! Jesus is coming back for a victorious Bride. A Bride that is fully awake, fully in love with Him, and fully engaging the culture as Salt and Light!

So, stand in the gap for your nation! Believe God for a massive outpouring of His Holy Spirit (Joel 2, Acts 2) sparking the greatest harvest of souls the world has ever seen!

America is Being Saved!

We spent the months of June & July in the United States traveling through 16 states speaking in churches, visiting with many of our ministry partners and sharing Jesus on the streets. We continue to see signs of a

spiritual awakening taking place. People are hungrier and more open to the Gospel than we have ever seen, because the Gospel message cuts through social, economic, ethnic boundaries and reaches the heart, like the scalpel of a skillful surgeon, to bring lasting change and healing.

Whenever we visit our home state of South Dakota we go to the iconic Mount Rushmore National Memorial which attracts almost 3 million visitors per year, with a large percentage from other countries! It is a great place to share the Gospel! (see photo)

Before returning to Germany we attended a FlashPoint Live event in Fort Worth, Texas. Living in Europe, we rarely have the opportunity to be part of a large Christian event. What a thrill to join 7,000 other Believers who are contending for revival in the USA!

"Often the last step is the winning step. In *Pilgrim's Progress* the greatest number of dangers were lurking in the area closest to the gates of the Celestial City. The greatest challenge in receiving great things from God is holding on for the last half hour." – *Streams in the Desert*, March 5

What About Germany?

We're glad you asked! We originally came to Germany for one year, but now, eight years later(!), we continue to live in, and be sent out from, our Christian community in Herrnhut. Over these past eight years we have ministered in every nation in Europe, plus a few in Eurasia and 14 nations in Africa!

The LORD spoke to us several years ago that Germany's destiny is to be a Lighthouse to the rest of Europe. So when we are not on the road traveling, we go to towns and villages in our area, declaring Psalm 24 and placing Gospel literature in the mailbox of every home. In fact, Dan's "Jesus Bike" gets a lot of attention, with people often

stopping to take a photo with the bike! At this writing we have passed out over 162,000 pieces of Gospel literature to every home in 169 German towns! PTL!

The photo above was taken recently in a town called Schlagel. We "happened" to meet an older man whose father had been the pastor at the church in the photo. When He learned why we were there he had to share his story! His father, who pastored here in the 1970s, would walk the streets praying over each home for a move of God, but never saw it. But here we were, decades later, adding our prayers and sowing into the spiritual harvest of Schlagel!

Later that day we met an older woman who was so excited to meet a fellow Christian! (You see, only about 1% of the German population are Born Again!). She asked, "Is there any hope for Germany? There is such a rapid moral decline!" We were thrilled to share with her that there is hope for Germany, and for every nation! That hope is found in 2 Chronicles 7:14

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land." (NIV)

United Kingdom & Kenya

In October we are excited to be returning to the United Kingdom to conduct a Marriage & Family Seminar in **Margate, England**. In recent years there has been a large influx of Roma people from Slovakia and the Czech Republic to this coastal town. The Salvation Army saw the need and has planted a vibrant church there and are inviting us to teach Biblical principles on Marriage and Family! Please pray with us that God will transform lives, marriages and families!

In the latter half of November we will be flying to the East African country of **Kenya** to teach in a week-long leadership conference. Sixty pastors from numerous

churches will be attending. We love training leaders because of the multiple effect it has on discipleship in their own churches!

The biggest need we see in our travels

around Africa is the need for leaders to be trained in sound Biblical teaching. Some of the topics we'll be teaching on include: Passion for Jesus, Marriage & Family, Revival, Leadership principles from 2 Timothy, and Stewardship.

From Kenya we will be flying to another African nation, but at the time of this writing it is not yet confirmed. So more on that later! ☺

This is Good Ground

We have been involved in full-time ministry since 1991, with the first eight years in the mission field of politics, passing laws to protect unborn children, the elderly and handicapped.

In 1999 we founded our ministry *HIS Ambassadors to the Nations*, with a dedication to take the Gospel to every Nation to prepare the way of the LORD (Is. 40:3)!

So far we have been to 127 nations with the hope to reach 130 by the end of this year!

Every day we thank God and pray for our Partners, those friends who stand with us in prayer and financial gifts.

If you would like to partner with us in taking the Gospel around the world, there is no better time than right now! You can mail your gift to the address below or give by clicking the "Donate" link in our website. All gifts are tax-deductible in the USA.

If you would like to send a special gift to help us train leaders in Kenya (approx. cost \$2,500), we would be grateful and you would be blessed! **Thank you for your generosity! We love you! Remember, it's worth it serving Jesus!**
