## HIS Ambassadors to the Nations

Preparing the way for the LORD since 1999!

### This Little LIGHT of Mine

As of this writing, we have just arrived back to Nairobi, Kenya after four weeks of ministry in Kenya, Tanzania and Malawi.

As we were debarking our plane last night, the entire airport was plunged into darkness. In fact, it wasn't just the Jomo Kenyatta International Airport, but the entire country experienced a blackout, the third in as many months.

It was a surreal experience walking through one of Africa's largest airports in complete darkness (even the auxiliary power generators failed) with nothing but the tiny light of our cell phone to shine the way.

We were reminded of the song we learned as children: *"This little light of mine, I'm gonna let it shine ..."* A powerful reminder that the smallest light dispels darkness. After a hour waiting in line at Customs, the power eventually came back and we made our way to our guest house.

*"In him was life, and that life was the light of men. That light shines in the darkness, and yet the darkness did not overcome it."*  
-- John 1:4-5 (CSB)

In the midst of a world plunged into spiritual darkness, it is good to know that Jesus Christ is the Light of the world. Let's celebrate this truth during Christmas and throughout 2024!

### Beautiful Africa!

Africa is an amazing continent! We have already traveled to 16 of her 57 countries. We have witnessed the rugged coast of South Africa where the Atlantic, Indian and Antarctic Oceans collide. We've been to Lake Victoria and the headwaters of the Nile River in Uganda, and a few weeks ago our flight took us past Mount Kilimanjaro. Africa is a beautiful continent!

However, the real beauty lies in the African people themselves, totaling 1.5 Billion, from over 2,500 ethnic groups, speaking 2,110 different languages!

**"Satan has often exercised total dominion over the [African] people through sickness, drought, insanity, and the many bondages of fear, superstition, and idolatry. When I preach the gospel I can feel these curses break. The light of the gospel shines into the darkness and overcomes it."** – Reinhard Bonnke

Jesus loves each and every person, longing for them to be free from sin and enter into a relationship with Him. This is why we go! Africa is ripe for a spiritual awakening!

We have made six trips into Africa in the past few years, ministering in 16 nations. This trip was the most exciting so far! We began holding a week long leadership conference in Kitale, **Kenya**, near the beautiful 14,000 ft. Mount Elgon, near the Ugandan border. This area is the "bread basket" of the nation with rich farm land.

Sound Biblical teaching and training continues to be a huge need for African pastors, most of which have little or no training at all! Over 70 leaders from several area churches came each day. We taught on Leadership, Loving Jesus, Evangelism and Stewardship. On the final two days we held a marriage seminar, complete with a marriage ceremony, where twelve couple renewed their vows! One pastor spoke for the rest, when he said, *"We have failed our congregations by never speaking on sex and marriage. We've let the Culture train our children. No*

*more!"* Another pastor said, *"My marriage is forever changed!"* Praise the LORD!

From Kenya we flew to Dar es Salaam, on the coast of **Tanzania**. Although our stay was a brief overnigher to make a connecting flight, we shared Jesus with over 20 people. Pray for Isaac, our young Muslim taxi driver, who got a clear presentation of the Gospel. He's close to giving his life to Jesus!

From Dar es Salaam, we flew to Blantyre, **Malawi**, our **129<sup>th</sup> nation!**

We have an interesting personal connection with Malawi that goes back over 25 years. At the time I was working for a ministry involved in politics, and was in Washington DC for meetings with Christian leaders, among them, then U.S. Senator (and future US Attorney General under President George W. Bush) John Ashcroft. I met in Senator Aschroff's office early one morning to attend a Bible study which he lead with his staff. At the time, I recall, he sat on a Senate sub-committee on Africa. A large map of the continent was on the Senator's wall. During each morning Bible study, a few moments were set aside to pray for a specific country. That morning, the country was Malawi!

Arriving in Malawi 25 years later to train young people was, in a way, coming full-circle. We taught for the week at the Youth With a Mission (YWAM) Discipleship Training School (DTS) on *Spiritual Warfare, Intercession, and Worship*. The students and staff at YWAM Blantyre were amazing and made us feel right at home!

We are so grateful to you, our dear friends and partners, who "sow" into our ministry with your prayers and financial gifts! You are amazing and we cannot thank you enough! If you're receiving this via regular post, than enclosed with this newsletter is a Malawian 50 Kwacha note. It's value is only 2 US cents, but we hope you use it as a reminder to pray for us as we take the Gospel to every nation in Africa and around the world. Interestingly, Kwacha literally means: *"the light has dawned!"* Glory to God!

## Land of Revivals

How the Irish saved Western Civilization!

No land has had more spiritual awakenings, or has produced more great evangelists and missionaries than Ireland and Great Britain.

Before heading to Africa, we had the opportunity to return to England, Wales, Ireland and Scotland and travel to six historic Christian sites! Go to our YouTube channel **Missionary Adventures** and see: Where John Wesley preached / An interview with a

Welsh Revival historian / An ancient Celtic Christian settlement / The site where Saint Patrick baptized the High King of Ireland / The Bangor Abbey and the 300 year, 24/7 prayer center that saved Western Civilization / and how Saint Aidan and Holy Island helped turn England to Christianity!

These videos will encourage your faith! So please Watch, Like and Leave a Comment!

## A Wife of Noble Character

*"A woman who has the fear of the Lord should be praised. Reward her for what she has done, and let her achievements praise her at the city gates."* -- Proverbs 31:30a-31 (GW)

Of course, I am speaking of you, Kathryn, my wonderful wife, lover and partner in the Gospel for 41 years! Thank you for loving Jesus, and loving me, unconditionally, and for being my biggest fan, best friend, and travel companion! I love you! *"Who can find a wife with a strong character? She is worth far more than*

*jewels. Her husband trusts her with all his heart, and he does not lack anything good. She helps him and never harms him all the days of her life."* – Proverbs 31:10-12 (GW)

## The Power of Partnership

With the world's economy so fragile, people wonder what is the best investment for their money? There is *only one sound investment* that promises great yields and unlimited returns! "What is it," you ask? Investing in this great End-Time Harvest of Souls. You can take nothing with you when you die ... except people! Who better to have as your investment manager than God Almighty, Himself!

We invite you to sow **a special year-end gift** to help us take the Gospel around the world (129 nations so far!). If God is speaking to you about partnering with us on a **monthly** basis, just let us know. (We love our Partners and pray for you every day!) You can mail your gift to the address below or give via PayPal or by clicking the "Donate" link in our website. All gifts are tax-deductible in the USA. Thank you for your generosity! We love you! Remember, it's worth it serving Jesus!
