HIS Ambassadors to the Nations

Preparing the way for the LORD since 1999!

June 2025

Time Out!

At the beginning of the year I (Kathryn) heard the Lord say to me: *Restoration, Reflection, and Refreshments*. He is leading me into a season of "Time Out." Is this a pleasant phrase to hear or do those

words speak of discipline to you?

Sometimes our loving heavenly Father brings us into a season of "Time Out," time to take a break from your busy routine. Is it easy for you to take time out or do you squirm like a child not wanting to take your daily nap? You may think: "I'm doing just fine. I don't need to enter this season." But, Father knows best. Our souls get weary and we need to come away and rest.

But how long you may ask? God knows for each of us how long it will take for our souls to come into a place of serenity.

The meaning of the word "serenity" is: *The state or quality of being serene; clearness and calmness; quietness, stillness; peace. Calmness of mind; evenness of temper; undisturbed state; coolness; composure.*

Wow! Doesn't that make you want to listen to your heavenly Father and take time out?

I love the story in John 21:1-14. Here again, the disciples had been fishing all night. They were probably tired and worn out. As they come ashore, they find that Jesus had prepared a fish dinner for them!

There are times in my life where I am feeling exhausted and I will ask the Lord to prepare me a fish dinner. ☺ That is when I can hear him say to me, "Time out, Kathy, let's, you and I enter a season of rest together. Come with Me by yourself to a quiet place and get some rest." (Mark 6:31)

When Jesus calls you to a season of *Restoration, Reflection, and Refreshments*, you won't be entering it alone. He will be there too! He has prepared it specially for you! The Good Shepherd leads His sheep to green pastures and quiet waters. And it is in that place that your soul will find rest in God alone. (Psalms 62:1)

2025: Our Best Year!

In January, as we spent time seeking the LORD about this year, we felt Him say several things to us: First, that it would be a year of *Restoration, Reflection, and Refreshments!* This is pretty exciting, because with these three "R's" follows *Fresh Revelation!*

He also told us that 2025 would be our best year in Germany. We had been based in Herrnhut, Germany much of the past 12 years. This year we are back in the southern part of the country, just five miles from our daughter Jenny and Peter, and three of our grandkids! We also are so blessed to have a lovely apartment in a small village. Perfect for experiencing the much needed *Three R's* mentioned above!

We also have sensed that this is the year for writing! So we are currently working on some various projects, one being our faith journey from salvation to going to the Nations. Your prayers are much appreciated with this effort. ☺

We are also very excited to have just completed a 39-page book titled, "Need a Miracle? Here is how to get it!" It's a powerful message based on the Word of God. If you would like a copy, let us know. We are thrilled to get this to as many people as possible! The book is a free gift to you. We only charge for the shipping.

Of course, Nations are always on our hearts, which is why we hope to reach 140 by the end of this year!

The Man in White

Muslims are coming to faith in Jesus in record numbers all around the world, through radio, internet, literature, and dreams / visions of "the Man in White," which is why now is the time to place maximum effort in getting the Gospel to them!

A recent study in Germany reported that of the over 5 million Muslims who have immigrated to Germany

"Arise, my love, my beautiful companion, and run with me to the higher place. For now is the time to arise and come away with me." – Song of Songs 2:13 (TPT)

in recent years, 20 percent are leaning towards radicalism. Pray with us that the veil of deception will be lifted from their eyes, and a true spiritual hunger will lead them to Jesus "The Man in White".

We have passed out over 185,000 pieces of Gospel literature to every home in 218 German towns and villages so far. Thousands of Muslim homes have received the Good News. We declare that God's Word, like seed planted in the ground, will bare much fruit! (Isaiah 55:11)

Greenland

Greenland is a dream come true! Our countless flights across the Atlantic, between the USA and Europe, would usually bring us directly over, or near, the southern tip of this massive snow-covered island. I had silently hoped that during one of those flights there would be a need for an unscheduled landing so

we could pray and minister, even in a small way, on the island! Well, the LORD, in His wonderful timing, has now opened the door to preach the Gospel there!

About the time you receive this newsletter, I will be landing in the capitol city of Nuuk (pop 20,000), to teach in several meetings, training youth and adults, and concluding with a marriage seminar.

This remote and sparsely populated island nation (total pop 56,000), has been getting a lot of attention in the news for its wealth of natural resources and strategic location.

In a way, coming to Greenland, is coming full-circle for our family. Kathy's grandfather, Elzie Gillen,

was a crane operator during World War II and helped build strategic airbases for the USA in Greenland, that would protect troop ships to and from Europe, saving countless American lives!

The impact of the Gospel in Greenland began over 1,000 years ago, when the Norse explorer, Erik the Red, came to established a settlement. His wife, Thjodhild, had accepted Jesus Christ and established the first church there.

Hans Egede, a Lutheran missionary, arrived in Greenland in 1722, and after several years of ministry, had only a handful of converts and a lot of opposition from the local Inuit peoples. In 1733 three Moravian missionaries from Herrnhut, Germany arrived. While translating the Gospel of Matthew, the locals were captivated by the story of Jesus' suffering and death on the Cross. Soon, many were coming to faith in Jesus. The story of God's Son, coming as a spotless lamb to be the perfect sacrifice for their sins, would forever change the course of history for Greenland.

Though 95% of the Greenlanders identify as Lutherans, spiritism is practiced widely. Pray right now, that this current generation of 56,000 Greenlandic people will experience a new spiritual awakening and transformational encounter with the Living God!

Madagascar

We are so excited about an opportunity to fly to Madagascar in July to train young leaders at the YWAM Land of Canaan base in the capitol city of Antananarivo. It is always a huge honor to pour into the lives of young people who have a passion to impact their nation with the Gospel.

It has a population of over 30 million, with 90% living on less than \$4 per day! Madagascar is special in that 90% of the animals and plant life cannot be found anywhere else on Earth! Christianity came to this second largest island nation, first through Portuguese, and then, French, colonialists. Though over half the people identify as Christians, Spiritism and tribal religions are widespread.

Pray for the much-needed training of leaders, discipleship of Believers, and outpouring of the Holy Spirit, so that they can more effectively take the Gospel to the 10 remaining unreached people groups on the island.
