HIS Ambassadors to the Nations

Preparing the way for the LORD since 1999!

December 2025

Tis the Season to ...

Greetings from Germany! As we approach the celebration of the birth of our LORD and Saviour Jesus, this Christmas season, we have an important choice to make. We can embrace a stress-filled heart, which is so easy

as December 25 approaches, or we can embrace a joy-filled heart.

Is it possible to experience rest and rejuvenation this month? Yes! Jesus has prepared for us a place with Him, a secret place, a spiritual *sauna*! Sounds inviting? Listen to what He says in Matthew 11:28-30. *"Are you tired? Worn out? Burned out on religion? Come to me. Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me—watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly."* (MSG)

Jesus is calling the tired, worn out, and burned out, to come to Him, walk with Him, and enjoy His company. In this secret place for your soul, you will *learn the unforced rhythms of grace*. We could all use some of that this month and in the year to come!

It is a season to rejoice in all the Lord has done for us and set our hearts on things above, on Him and His Kingdom, and not on the busyness of this life that can so easily pull us down. It's a time to put our hope and trust in the Lord, knowing that, *"God is our refuge and strength, a very present help in trouble."* Psalm 46:1 (NKJV)

If we choose to put our hope and trust in the Lord, to take time to be still in His presence, He will revive and strengthen us. He gives us the ability to rise above our hardships and soar over them like an eagle. He gives us the ability to run this spiritual race without growing weary, and to walk steadfast towards the goal marked out for us without losing heart.

"He helps tired people be strong. He gives power to those without it. Young men get tired and need to rest. Even young boys stumble and fall. But those who trust in the Lord will become strong again. They will be like eagles that grow new feathers. They will run and not get weak. They will walk and not get tired." Isaiah 40:29-31 (ERV)

The Best is Yet to Come!

2025 brought a significant change for us! In January we official left our home of nine years in Herrnhut, Germany, and moved seven hours to the south to the tiny village of Lauterach, which is just 5 miles (8 km) from our daughter and her family!

When we are not on the road traveling, we are usually ministering between two *freikirchen* (free churches) in the nearby towns of Munderkingen and Ehingen.

Ten years ago, while teaching at a YWAM base on the island of Grenada, the LORD gave us a clear open vision that a

tsunami of spiritual awakening was coming to Germany and that Germany would impact the rest of Europe for Jesus! That's why it has been a great honor for us to sow into Germany's end-time destiny, through preaching, teaching and evangelism.

Recently, our German son-in-law, Peter, translated for me in a service at their church (*photo above*). Midway through the message, our one-year-old grandson, Nolan, came to me and then fell asleep on my shoulder! What a sweet experience!

We also bless Germany through evangelism. To date we have handed out over 194,000 pieces of Gospel literature to every home in 220 towns! So far, around the world, we have handed out over 430,000 pieces of Gospel literature!

In 2025 we preached the Gospel in nineteen countries, three of them were new to us (**Greenland**, **Madagascar**, and **Mauritius**) bringing our total number of nations to 134! Glory to God!

A few weeks ago we had the opportunity to drive with a dear friend, who was visiting us from the States, to Medjugorje, Bosnia, one of the top Catholic pilgrimage destinations in Europe, where we had a powerful time of sharing the Gospel and praying for people on the streets. It was amazing!

We are seeing it everywhere, a genuine hunger for God! This is it! Revival! **The best is yet to come!**

"Do not fear to tell Jesus that you love Him even without feeling it. That is the way to force Jesus to help you, to carry you like a little child too feeble to walk." -- Therese of Lisieux

In September we traveled to Margate, **England** to speak at the Salvation Army Church for Roma immigrants from the Czech Republic. What a fun time we had! These amazing Believers (*photo above*) are hungry for God, know how to worship, and how to fellowship!! We have been invited to return in 2026 to hold a Marriage Seminar! Yes!! ☺

Your Partnership goes a Long, Long Way!

Did you know that when you partner with us to take the Gospel around the world, you're also blessing other ministries around the world? Since founding *HIS Ambassadors to the Nations* in 1999, we have ministered alongside, and financially partner with, some amazing fellow missionaries. We would like to introduce you to some of them!

We have known Chris and Lori since they were teenagers! Now, with their nine children, they travel the USA as "Monumental

Worship," holding worship events in Washington DC and all 50 state capitols! America is being saved!

We've worked with Gica and Crenguta in Romania on several occasions. They have an amazing work among the large Roma community, preaching, and distributing food and clothing. They also publish a Christian women's magazine.

We met Abraham and Mailyn while teaching at YWAM Cuba ten years ago. They are not only gifted youth leaders, but write, and record worship videos in Spanish. They now work with YWAM Costa Rica.

We met Micah and Glory two years ago while teaching at YWAM Blantyre, Malawi. They carry a strong leadership anointing, and are passionate about discipling young Malawians to take the Gospel across their nation and around world!

We met Violet five years ago while holding a leadership conference in a mud-hut church in the Ugandan bush. Her love for Jesus and passion to see her country saved, touched our hearts deeply. Now she serves on staff at a YWAM base near the headwaters of the Nile!

We know you were inspired by these brief introductions. Not only does your faithful partnership enable Kathy and I to go to the Nations, but a portion of it is sowed again into these and other inspiring missionaries. Thank you!!

No Turning Back!

We are preparing our schedule for 2026 with meetings, so far, planned for **England, Germany, Burundi**, with more nations in **Africa** to be announced soon! As this end-time spiritual conflict is intensifying around the world, people are waking up to a relationship with Jesus! Let's get in on it together!

We invite you to be a **monthly partner** or sow a **special Year-end gift** to help us take the Gospel around the world! You can give in the USA by sending a check to the address below, or online via our web site, or scanning this QR code. All gifts are tax-deductible in the USA.

*Go Tell it on the Mountain that Jesus Christ
is Born! We Love You!
